

POLICY FLASH 2013-46

DATE: April 18, 2013

TO: Procurement Directors

FROM: Director
Contract and Financial Assistance Policy Division
Office of Policy
Office of Acquisition and Project Management

SUBJECT: Awardee Share in STRIPES

SUMMARY: A problem has been identified with completing the awardee share fields on the FAADS/FAADS Plus reporting screen in STRIPES. Data quality is an area of major focus especially for the data being sent to USASpending.gov as required by the Federal Funding and Transparency Act.

The attached Awardee Share Procedures detail the procedures for correctly reporting the awardee share (also known as the cost share, recipient share, and non-federal share) on the FAADS/FAADS Plus screen in STRIPES.

Also attached is a screen shot of the FAADS/FAADS Plus data entry screen in STRIPES and an Assistance Agreement form from STRIPES for reference.

This Flash will be available online at the following website:
