

## POLICY FLASH 2014-04

**DATE:** October 30 , 2013

**TO:** Procurement Directors/Contracting Officers

**FROM:** Director  
Contract and Financial Assistance Policy Division  
Office of Policy  
Office of Acquisition and Project Management

**SUBJECT:** Continuing Appropriations Act, 2014 -- Congressional Notification of Pending Contract or Financial Assistance Actions in excess of \$1 Million under the Continuing Resolution

**SUMMARY:** Section 101(a)(6) of the Continuing Appropriations Resolution Act, 2014, Pub. L No. 113-46, makes appropriations available through January 15, 2014 for continuing projects or activities that were conducted under Consolidated and Further Continuing Appropriations Act, 2013, Pub. L. No.113-6, under the same authority and conditions. Therefore, the Section 311 Congressional Notice requirements will continue as established in Acquisition Letter/Financial Acquisition Letter (AL/FAL) AL 2013-05/FAL 2013-03 Congressional Notification of Pending Contract or Financial Assistance Actions in Excess of \$1 Million. Based on the proposed Fiscal Year 2014 appropriations act, it is anticipated that Section 311 notices will continue if and when an annual appropriation act for fiscal year 2014 is enacted. An updated AL/FAL will be issued later. Continue to use the April 26, 2013 revised template versions of notices.

The numbering for the notices will start over at number 1 for each field activity's 311 notice mailbox.
