14. DESCRIPTION OF AMENDMENT/MODIFICATION (Organized by UCF section headings, including solicitation/contract subject matter where feasible.)
The purpose of this Modification is to incorporate the following changes into the contract:
(1.) Section G (Contract Administration) of the basic contract is updated to include a revised Clause G.7, Ordering Procedure. A replacement Section G is Attachment 1 to this Modification. The revisions are summarized below and identified in the replacement Section G by bold-faced italics for identification purposes:
(a.) a new subparagraph (d.) is added to Clause G.7, Ordering Procedure, to address the contract usage fee of 1%, which is distinct from the 2% administrative surcharge applied by EES to all Other Direct Cost (non-labor) expenses. Clause G.6, subparagraph (a) Summary, is also modified to address this subject;
(b.) the requirement in Clause G.4, Billing Instructions, Other Direct Costs, subparagraph (b)(1), for Contracting Officer approval for actions exceeding \$100,000.00 is deleted. This has been superseded by the establishment of the Contracting Officer's Technical Manager (COTM) review process in Modification M002. However, the subparagraph's requirement for prior approval for all ODC's by the cognizant COR remains in effect.
(c.) Clause G.6, Overview of Task Order Award/Administration, subparagraph (a.) Summary, is amplified as set forth in Attachment 1 to address the delegation of COR authority to field personnel for HQ-administered task orders.
(2.) A complete listing of labor category descriptions is hereby added to the contract; it is Attachment 2 to this Modification. There are no other changes to contract terms and conditions.
